Subject: Leaving this list

Apparently my emails are now being moderated by the list owner. For this reason I will no longer be responding to emails on this mailing list.

The new official geocaching.com mailing list is now located on the geocaching.com site. Send an email to list-request@g... with "subscribe" (no quotes) in the body of the message. The mailing list will be ad free.

Regarding waypoints, we will not be providing a list at this time. Any distribution of the waypoint list is in direct violation of copyright and will adversely affect the game. I'd be happy to discuss it further on the new mailing list.

Thanks,

Jeremy Irish
